CONGRATULATIONS JETT...YOU ARE A STAR!!!

Hi, my name is Jett and I was the STAR OF THE WEEK. I had a lot of fun being the STAR. My favorite things to do was cleaning the hamster's cage, being the line leader and having friends sit by me at lunch. I like to go to Denver to see my mom and I also like to go exploring with my dog, Bear. We go to the river and he jumps in the water and finds things at the bottom. In the summer, Dad and I like to go fishing and catch catfish. It was a lot of fun being the STAR OF THE WEEK because I got to do a lot of things in my class that I have not done before. :)
