CONGRATULATIONS SKYLER....YOU ARE A STAR!!!

Hi, my name is SKYLER and I was the STAR OF THE WEEK. I think it was a lot of fun being the star in my classroom for a whole week. Something else that I really liked about this week is that we started to read Charlotte's Web . My favorite food is pizza and my favorite thing to do this week was being Ms. Mousel's helper by turning on the SMARTBoard. I also got to be the line leader and I really liked it when my dad came to eat lunch with me. These are some of the reasons I really liked being "STAR OF THE WEEK"!

### CLASS HAPPENINGS!

### SPELLING LIST

### DATES TO REMEMBER

Students only need 6 AR points this month due to Christmas break. We will plan to have our December AR Party when we return after Christmas break on January 6th.

In math, we are working on our multiplication facts. Please see that your child practices their facts because they are tested weekly and when a child fails their fact test, it greatly affects their overall grade in math.
