**CONGRATULATIONS SHAYLEE...YOU ARE A STAR!!**

This week I liked being the STAR OF THE WEEK because I got to help Ms. Mousel pass out papers. I also liked it when I got to share my favorite things I brought from home and when my mom came to eat lunch with me. In my spare time, I like to ride my bike and play with my cousin, Cheyenne. I also love to tease my brothers. My favorite holiday is Christmas because I get to open presents. I'm happy to tell you about my week because I loved being the STAR OF THE WEEK!

In Reading we finished the novel *Charlotte's Web*. We also completed a Reading Packet of activities in response to the novel. In Math, we are working on problem solving skills. Our next fact test will be over subtracting 3s and 4s. Please have your child practice their addition, subtraction, and multiplication facts over Christmas break. Students are expected to complete 100 facts in 4 minutes.
