Congratulations Bailee, you are a STAR !!

Hi, I'm Bailee and I was the Star of the Week! I love to play softball and paint my baby sister's toenails. My favorite things to do are to read and dance. Some "Show-n-Tell" items I brought to school were my bear, my bible and my softball glove. I'm happiest when my softball team wins a game. I loved being the STAR!

### ANNOUNCEMENTS ★ SPELLING WORDS ★ DATES TO REMEMBER

AR has started and will run until May 1st. Students are given 15 min of AR time each day, but I also encourage students to read at home so they can earn our monthly class goal of 10 points per student. Each month we will have an AR classroom celebration for those who meet their goal. Happy Reading!
