

Our Stars

THIRD GRADE NEWSLETTER SEPTEMBER 12, 2014

~~~~~MS. MOUSEL~~~~~

Congratulations Leah, you are a STAR !!

Hi, my name is Leah and I was the "STAR OF THE WEEK"!! I have one brother and one sister and their names are Dylan and Halle. I like to make no-bake cookies. I also like to dance, play soccer, and play with my sister. My favorite thing to do with my sister is play school. When I play soccer I like to teach her to play also. I liked being "STAR OF THE WEEK" because I got to feed the hamster and bring some SHOW-N-TELL items. My family came to eat lunch with me on Wednesday. I really liked helping my teacher this week!

### ANNOUNCEMENTS

### SPELLING WORDS

### DATES TO REMEMBER

Please check your child's Green Folder in their binder for their AR report. Students have 18 days left to reach our monthly goal of 10 points. We have 3 students who have already made it and some that only have a few points. Please encourage your child to read at home each evening for at least 15 min. so they too can reach their goal and participate in our AR celebration.
