

**Dear Parents/Guardians,**

**On Friday, January 23<sup>rd</sup>, we will be celebrating 100 Days of School. I am asking your child to build a "creation" made out of 100 like items. Creations should be brought to school on Thursday, January 22<sup>nd</sup> so they can be displayed in the Cafeteria that afternoon.**

**Also, this year for Valentine's Day, I will be sending home a white "Valentine's Day" bag for your child to decorate creatively and fill with Valentine goodies (for example...candy, chips, cookies, pencils, energy bars, juice box, or any small Valentine treats, etc.) After the bag is decorated and filled, please make sure that it is sealed somehow so we can't see what is inside. The Valentine bags can be brought to school anytime during the week of our party. We will have our Valentine's Day Party on Friday afternoon, February 13<sup>th</sup>. We will recite a poem and move our bags around in a circle to see where the bags end up. Please attach some type of card to the bag so we know whom the goodies are from. This Valentine's Day activity is always a lot of fun!!**

**If you have any questions about the above activities, please let me know.**

**Sincerely,**

**Ms. Mousel**
